

Genuine Zebra™ supplies

The natural choice for your Zebra printer

Get the best performance from your Zebra printer by using genuine Zebra supplies

Quality

Zebra supplies are made by Zebra, for Zebra® printers, to the highest standards. They are all extensively tested to ensure best print quality and performance before they are branded and introduced into the range. Tested on the printers they will be used on, in the combinations they will be used in, they are developed specifically for our users' requirements.

Performance and reliability

Using genuine Zebra supplies will give optimum printer performance and minimise printhead wear and tear. By using Zebra supplies, you can be sure of consistent performance and can eliminate scanning and printing issues that you may experience with other manufactures' labels, receipts and tags.

Wide product range

Zebra has a wide range of over 75 label, tag and receipt materials as well as specialist products such as wristbands. Paper and synthetic, direct-thermal and thermal-transfer, self-adhesive and tags: we've got it covered. Zebra can also deliver expert solutions, such as tamper-evident labels, high-temperature labels and special adhesives.

Convenience

Zebra can respond to all your labelling needs and reduce the need to source from different suppliers. Zebra has a full range of over 400 branded (ZipShipSM) supplies solutions in stock, as well as made-to-order (custom) supplies. Zebra Technologies holds ribbons in stock at a variety of widths for all printers from narrow desktop wax ribbons to wide resin ribbons.

Genuine Zebra supplies at a glance

Zebra supplies are available from stock via the ZipShip programme or can be custom-made in those sizes or materials not available from stock

ZipShip-stocked supplies

Ready-made

ZipShip supplies are on the shelf and ready for immediate despatch. So we can offer you same day shipment* – even if you only want to order one box!

Wide range

Our ZipShip supplies portfolio consists of a range of the most popular label sizes and industry standards. Plus we stock matched ribbons in a variety of widths to go with our printers.

Competitive

Zebra is one of the largest label converters in Europe, so we buy raw material at very competitive rates and drive manufacturing costs down as low as possible, meaning that you – and your customers – will benefit from low prices for top-quality products. Our ZipShip products are made in large production runs, so even small orders are competitively priced.

Easy to choose

Choosing the right ZipShip label (and ribbon) is easy with our online ZipShip selector tool, available to partners from the supplies section of www.accesszebra.com

Custom supplies

Custom supplies can be made to order for applications where sizes, colours or materials are required that the ZipShip range doesn't cover.

Extended range

Labels can be made to order for specific sizes, materials or designs, or where pre-printing is required. A variety of materials is available quickly, from papers to high-end products including UL-approved polyesters and polyimides, offering a multitude of solutions.

Design expertise

Zebra has a large in-house team of highly skilled supplies experts, available to design a customised labelling solution to fit individual application requirements.

Tried and tested

Custom supplies are designed, manufactured and tested to high standards so you can be assured of the results. Sample rolls and test rolls are available for customers to try in application to ensure suitability. Zebra supplies are specified by many multinational businesses who trust in the high quality Zebra delivers.

Ribbons

Ribbons are carefully selected and tested to the same rigorous standards as our label materials to ensure the very best print quality and printhead life. Zebra tests each ribbon with a variety of label materials and only accepts products into the range that meet a strict range of criteria. Only the very best ribbons become part of the Zebra range.

Zebra stocks ribbons for each printer type and label material that Zebra supplies, at competitive prices even for small orders (minimum one box).
